Combine all there is to saving with your protection, the latter without cost to you, and you can sit back and "consider my savings, how they DO grow!" Investment Insurance Trust Bonds combine the two and is the only possible combination guaranteeing it. Ballard & Co., reliable insurance.

The lecture to be given by Mr. Robertson at the opera house tonight is of a decidedly interesting character at this time—Russia-Japan. Mr. Robertson will give you a clearer insight into the conditions and surroundings of the country where the war is going on than you can get from reading in a month. You will be much better able to follow the reports of the conflict between the armies of the two countries as they appear in the papers from day to day. Don't miss it.

## WHERE MILLIONS ARE MADE.

Interesting Letter That May Mean Much to Residents of Barre.

Probably there is not a reader of The Times who has not heard of the fortunes made in the Beaumont oil fields. While the tales of fortunes quickly made are interesting, they are really not half as valuable to our readers as the following letter from L. K. Preston, president of the Caswell-Preston Drug Company of Beaumont, one of the largest wholesale and retail houses in Texas.

Mr. Preston writes: "Enclosed you will find a letter that came to us unsolicited from J. C. Reeves, 770 Pearl Street. I have known Mr. Reeves for several years. He is a reliable man and very happy over his fortune.

Reeves, 'I lost the hearing in my right ear and about three or four months ago my left ear became almost as bad—in fact I was so bad that people had to shout at me to make me hear. I had about given up in despair all hopes of ever recovering my hearing when I saw that you recommended Hyomei. I used two bottles and can now hear my watch tick with either ear and my hearing is now all right. This deafness must have been caused from catarrh, for it is now cured. Hyomei certainly does what you claim for it."

Hyomei has made many cures of catarrh, and, in combination with Hyomei balm, of catarrhal deafness in Barre and nearby towns. Rickert & Wells give their personal guarantee to refund the money should it not give quick relief. The complete Hyomei outfit costs but one dollar, while extra bottles can be obtained for fifty cents.

George Miller made his first trip today over the new rural free delivery mail route. There are about 100 mail boxes on the route and were sold by A. L. Foster.

The C. of F. team defeated the F. of A. team by 140 points in the sixth game of the cribbage tournament last evening. The total score and standing of the teams is as follows: F. of A., 24,252; M. W. A., 23,942; C. O. F., 23,850. The next game is Friday evening between the M. W. A. and C. O. F. teams.
